

Slide 4: Role-Based Skills Overview

Objective: Provide a comprehensive matrix showing all IT roles and their required AI capability areas at a glance.

Layout Composition:

The slide is a flex-col with a header sized to its content, a main body that grows to fill space, and a footer sized to its content. The main body contains a single large table component that fills the available space.

Content Breakdown:

- Block 1:
 - Block Type: Text
 - Placement: Header section
 - Component Schema: “Section Title”
 - Content:
 - Title: “Role-Based AI Skills Overview”
 - Subtitle: “Capability requirements across IT/Technology roles”
 - Creative Brief: Bold title text-6xl, subtitle text-3xl, white text.
- Block 2:
 - Block Type: Table
 - Placement: Main body area, growing to fill space
 - Data:
 - Headers: [“IT/Tech Role”, “AI Literacy”, “Technical Integration”, “Architecture & Design”, “Operations & Monitoring”, “Security & Governance”, “Primary Persona”]
 - Rows: [
