

Slide 16: Resources & Next Steps

Objective: Provide actionable next steps and comprehensive resources for stakeholders to begin implementing the AI skills framework.

Layout Composition:

The slide is a flex-col with a header sized to its content, a main body that grows, and a footer sized to its content. The main body is a grid with two columns (1fr 1fr) and two rows (auto 1fr). Top-left for immediate next steps, top-right for resource links, bottom row spans both columns for a call-to-action section.

 - “Comprehensive framework covering 6+ IT roles”,
 - “Practical, cloud-based learning approach”,
 - “Clear progression from awareness to expertise”,
 - “12-month implementation roadmap with measurable outcomes”
]

- Creative Brief: Prominent panel with slate-800 background and gradient accent border (blue to purple). Centered content. CTA title large and bold (text-4xl) with icon. Main message in text-2xl, slightly italic for emphasis. Contact info in a highlighted box or card (text-xl). Supporting points as compact bullets (text-lg) arranged horizontally or in columns. Professional yet inspiring tone. This should feel like a strong closing statement.

- Block 5:

- Block Type: Text
- Placement: Footer
- Component Schema: “Final Footer”
- Content:
 - Footer_Text: “AI Skills Framework v1.0 | Government Technology Agency | 2024 | Questions? Contact ai-skills@agency.gov”
